MEMBER SHIP LIST AND HOT LINE

There is a new list being mailed
out to members with this news
letter. Some members already
received it at the February
meeting. there was some incorrect
numbers which have been
changed. please dispose of the old
list and keep this new one.

It was a splendid weekend for not
only the ice sculptures and snow
carvings but also the great
company we shared with each
other. Friday night as families
wandered in the ones that already
arrived either were swimming, in
town already looking or enjoying
the night in the hospitality room at
the restaurant.

Saturday some families went into
Birch Run to the outlet mall while
others started into town to view the
ice sculptures, snow carvings and
of course the many shops. We all
gathered for dinner at 5:00p.m. We
were seated at one long table.

After, some of us made it out side
just in time to see the last few
minutes of the fire works and the
grand finally. we then gathered
back at the hotel to enjoy the pool
area or the hospitality room again.
It seemed when we arrived back
though some members had strange
creatures sitting on their door
knobs. On Sunday as we awoke
and had our breakfast some headed
for home as others went into town
for those last minute items as well
as one more look at the great
sculptures.
