PROGRESSIVE DINNER

November 11th, 2001
Attended by: Setzlers, Jones, McIntoshs, Browns, Pilettes, Valenti, Hartwigs, Ziteks, Stephenson, and guests Reppes & Lalondes.

We started from our house (Hartwigs) with a line up of Zitek, Reppe, Lalonde, Stephenson and we were in the lead leaving our house at 12:20 p.m. Our first stop was at the McInoshs where there was a variety of appetizers awaiting us. Then it was a short trip down the road to the Jones' where there was 2 choices of soup and a delicious salad. We were told that we couldn't leave for a few more minutes so some of the guys turned the race on to watch and others were outside enjoying the weather. Now we were released to head on the more than 1/2 hour journey to the Setzlers house. When we arrived the house had a wonderful aroma of food. We made our way to the basement which was beautifully decorated with a Thanksgiving theme. Jim S. blessed the food and we ate. The next stop was just around the corner so a few of the younger members walked to the Reppe Farm so they would have room for dessert. The desserts were a wide

variety. A lot of visiting and a lot of food. We all left feeling full and pleased with a wonderful day of fellowship. Submitted by Hartwigs

MONROE HOLIDAY PARADE

The Early Risers decided to put together a float for the Monroe Holiday Parade which was held Sunday November 18th...we put a little camper up on a fifth wheel flatbed trailer with a picnic table and a fire and chairs and we even had a grill with someone cooking hotdogs & brats... we had a lot of advertising for FCRV and many people came to us in the lineup before the parade and asked us about our organization and of course we explained what we are all about. We had lots of food and were the envy of all the other entries...

The most exciting thing is we took 1st PLACE in the non-profit division and we were on the local cable TV and we possibly will be in the local newspaper. Submitted by Hartwigs
