## FRANKENMUTH ICE AND SNOW FESTIVAL

February 2nd-4th, 2001.  
Those attending from our club were McIntosh, Jones, Browns, Stephenson & Hartwigs. Also there was Diane's brother Tony & his wife Debbie, Doug Riley, Mike Heimstra, and family of the Browns. Friday we got checked in and were unpacking when our phone rang, it was Marlene and Rob wanting to know if we made it ok. They came down to the room and we decided to go to the Edelweiss Restaurant for supper. We then took a drive through town to see the sculptures. When we got back to the room we sat and talked. We then decided to check out the pool and hot tub which is where we found most everyone else. Saturday morning we were still in bed when Queen Christina called to have us buzz her in the building. We then got dressed in warm attire to head up town. We caught the first shuttle to town and enjoyed the day of shopping and seeing the ice carvings and the snow sculptures. At 4:30 p.m. we had reservations at Zenders for chicken dinner...that is where we caught up with everyone, I think we had close to 30

people. After supper there were the fireworks which were beautiful. Then back to the motel where Sammie Jo & Pete and Ray & Jane Thornton were there, so we all got together in Desi & Freds room for an evening on great conversation. The Dietzels also joined us for the evening. Sunday morning we woke to snow. After last minute shopping uptown we headed for home. Even though Marci and I weren't feeling so good, we had a wonderful weekend. Thanks to Paul for setting it up.

## CAMPOUTS

Camping season is upon us and we are all looking forward to going to a lot of campouts. So far we as a Chapter don't have too many planned. Please think about hosting a campout, wherever and whenever you want. It doesn't take much planning or very many activities. Come to our next meeting with a new campout for us. We have a great time at every campout that we get together at!
