CAMPOUTS

If anyone is interested in
hosting a campout this year,
please contact the campout
committee. It doesn't take
much to host a campout. All
you need is a date and a
place, and people will come.

TREE PLANTING

3 families were represented
and braved the weather (sleet
& rain) to plant 75 trees
Monday, April 22nd. Jim &
Donna, Michael & Dave & I
took about 1 hour to
complete the mission of tree
planting. Red Maple trees,
Colorado Spruce & Norway
Spruce were the trees of
choice. After all the trees
were planted (just getting to
the house before another
blast of rain) we ordered
pizza and discussed our trip
to Maine. Thank you for the
help! Submitted by Kathy

DISTRICT CAMPOUT

Most of you have already
heard that this wasn't our
best campout. The field staff
did a wonderful job as
always with feeding us and
the weather was good. We
just had a few camper
problems (2 flat tires,
electrical and water) Thanks
to Bobby, Fred, Steve, Lee &
Rob they were able to help
Dave figure out the electrical

problem. Attending the
campout was Pilettes (& 2
camper guest families with
them), Coulter and grandson,
Stephenson, Hartwig,
LaHousse, McIntosh,
Browns & Tucker. The
Setzlers & Jones were
camped with the workers.
Marlene and I lost a little
money at Bingo on Friday
night. Some of us took part
in the games on Saturday
and I believe Rob won the
spoon race. A couple of us
entered a decorated cake for
that contest. There was a
dance on Saturday evening
and a couple of us
chaperoned the double
digits/teens to bowling. We
tried to sit around a fire but
the winds picked up and it
got very cold. Sunday
morning after church we
packed up and headed for
home. Submitted by Kathy
